irregular routes as follows:)

HOT ASPHALT, SAND AND GRAVEL: From Columbia, S. C. to points and places in South Carolina, for Trip Construction Co., Columbia, S. C., under contract to be filed with and approved by The Public Service Commission of South Carolina.

Under date of January 11, 1972, this application was granted without the formality of a public hearing, subject to complaint. After the granting of this application, complaint was received. In order to eliminate this opposition, the applicant, Samuel L. Taylor, has now agreed to amend Class F Certificate No. 1863, by adding the following restrictions:

RESTRICTED: To sixteen (16) tons per load.

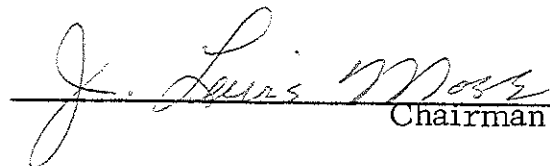

RESTRICTED: So that not more than two (2) dump trucks will ever be licensed by the Public Service Commission.

RESTRICTED: So as to permit only the one contract with Trip Construction Co., and no other contracts to be added.

It now appears to the Commission that Class F Certificate No. 1863 should be amended by adding the restrictions as set forth above.

AND IT IS SO ORDERED:

BY ORDER OF THE COMMISSION:
